Your student is positive for one of more excludable symptom per Oregon guidance:

- | | | |
|---|--|--|
| <input type="checkbox"/> Fever | <input type="checkbox"/> New loss of taste or smell | <input type="checkbox"/> Symptoms requiring more care than staff can safely provide. |
| <input type="checkbox"/> Cough | <input type="checkbox"/> 2 or more minor COVID-19 symptoms | <input type="checkbox"/> Unexplained behavior change. |
| <input type="checkbox"/> Diarrhea | <input type="checkbox"/> Lethargy | <input type="checkbox"/> Headache with stiff neck |
| <input type="checkbox"/> Shortness of breath | <input type="checkbox"/> Nausea/Vomiting | <input type="checkbox"/> Jaundice |
| <input type="checkbox"/> Difficulty breathing | | |

It is recommended that you follow up with your physician.

In all situations your child must have improving symptoms AND be fever free for more than 24 hours without the use of fever reducing medication AND free of vomiting and diarrhea for 48 hours prior to returning to school. In COVID-19 specific situation your student must meet quarantine or isolation requirements

Isolation Requirements:

- If your student is positive for a symptom listed under COVID excludable symptoms, it is suggested that your child have a COVID-19 test performed.
- If your child’s test is negative AND they have not had contact with any diagnosed cases of COVID-19, they may return when fever, vomiting and diarrhea is resolved per guidance below.
- If your child has major symptoms compatible with COVID-19 (**bold**) and they do not have a test performed, they have a positive test or they are a contact of another COVID-19 case, then **they must remain home for 10 days from the first day of symptoms.**

Quarantine Requirements:

- If your student is a contact someone who has been diagnosed with COVID-19 in the last 14 days, **they must remain home for 14 days beyond the last day of exposure of COVID-19, unless they are also ill, then they must remain home 10 days from the date of onset of illness.**
